

Fitz's Challenge" and the **Audax Alpine Classic** complement each other in degrees of difficulty. And with Fitz's Challenge now being held on Sunday Nov 1st (Melbourne Cup long weekend) it is expected that many riders will use the Fitz's as their first major summer event and as pre Christmas training for the Audax Alpine Classic in January.

The "Fitz", whilst not being a formal Audax ride, is run along the same lines as an Audax Randonnee with the appropriate time limits.

Both events share the same official Charity Beneficiary OCF (the Oncology Children's Foundation) and with the new alliance now in place it will certainly "move mountains" for OCF in their quest to eliminate childhood cancer.
