hip

If your body measurement is on the borderline between two sizes, go to the lower size for a tighter fit or the higher size for a looser fit.

Measurement Guidelines

Chest: Measure around the fullest part of your chest and across your shoulder blades, keeping the tape horizontal and taut.

Waist: Measure around your waist just below the rib cage, keeping the tape horizontal and taut.

Hip: Standing with feet together, measure around the fullest part of your hip, keeping the tape horizontal and taut.
