Start Time: Please arrive at least 15 minutes before your start time. This will allow time for admin.

Start Location: Caltex Star Mart Holbrook (24hr Truck Stop) on the southern end of Holbrook just 200metres north of the southern the Hume Highway exit/ramp.

Finish Location: Start location.

Onsite Facilities: When leaving your car at the Caltex Star Mart Holbrook, please beware of not causing any disruption to the heavy vehicles that constantly use the facility.

Food (pies etc) is available 24 hours. Full meals within specific times.

Lighting: In November 2018, Audax Australia made some significant changes to its lighting and reflective vest rules. In fact they are no longer "rules".

Lighting You are to follow the Australian Road Rules:

- a) a flashing or steady white light clearly visible for at least 200 metres from the front
- b) a flashing or steady red light clearly visible for at least 200 metres from the back, plus
- c) a rear red reflector visible from 50 metres.

Note that some red reflectors are built into rear lights. If you are not sure if your red rear light has a red reflector built in, check by shining a white light onto your rear light in a dark setting (without turning on the rear light) - it will be very obvious if there is a reflector built in.

The link further below outlines what Audax Australia recommends in addition to the above road laws regarding secondary lighting and reflective vest options.

Note that these recommendations are not compulsory and that there will now be no pre ride check of lights or reflective garments. However if you are observed not to be obeying the Australian Road Bicycle Lighting Rules you can be disqualified from the Audax Australia event by the ride organiser.

https://www.audax.org.au/public/images/stories/Documents/National_Docs/Audax_Australia_Safety_Recommendations.pdf

Entry Fees: **Audax or Cycling Australia members** \$6; non-Audax Cycling Australia members please bring your membership card to the start.

Non-members \$16 that includes a \$10 temporary membership surcharge which is required for insurance purposes.

Registration: **All registrations must be online at:**

On Ride Support: None provided.

Post Ride: Your brevet cards will be processed after the ride and then sent back to you. Therefore, when you have finished, please hand your card to the organiser or mail it to the address as per the first page.

Food and Services

The following information is provided as a guide only based on 2018 information.

To be certain, each rider should check that food is available from these locations at your anticipated time of arrival. Some of these businesses may no longer be operating (2019).

Note: There are many pubs/hotels along the routes that may be able to provide some food. Since these establishments often close soon after their patrons leave there is no certainty that the proprietors will know their exact closing times.
