

# PAP2014 Lighting Requirement's

updated 8/09/2014

NOTE: Keep an eye on [www.audax.org.au](http://www.audax.org.au) and join the Perth Albany Perth 1200 Facebook group to keep abreast of developments.

## ***There are some basic lighting requirements which are mandatory for the PAP2014***

The requirements include:

- Two front lights fixed to bike (visible for 200m)
- Two rear lights fixed to bike (visible for 200m)
- A rear red reflector fixed to bike (most modern back lights have reflector built into them)
- Reflective vest/jacket.

## ***Bike Inspections***

Your bike will be inspected at the registration BBQ.

More information about the requirements can be found at:
